

SZÁSZ GÁBOR GRAPHIC DESIGNER

Working as a printmaker, from nowadays digital prepress for offset technology till the authentic stone lithography, on a more than 100y old, B1 cylinder "Schnellpress". Spent more years in Dtp and Web Design, fighting with scripts, writing CSS and configuring Cms-es, mostly Drupal.
My English is far away from perfect, as You can see. I got family, living in Vác, Hungary.
